Referencing Service Manuals/and Tips for Spring Cleaning

Service Manuals: Avoid unnecessary replacement of parts.

Kirby Service Manuals and Videos are available online for instructions on solving service issues. Once in the proper models' section entitled "Trouble Shooting", you can identify the issue and solution to the repair. Follow these Steps to access the manuals:

Step 1: Log into kirbyauthorizedservice.com

Step 2: Click on "Resources"

Step 3: Click on Service Videos & Service Manuals (Manuals are blue tabs)

Tips for Spring Cleaning

Stock up on Kirby Cleaning products that provide great results for your customers!
